2. Master Bathroom Remodels

Your master bathroom should be an oasis of relaxation and comfort. JPS Remodeling Contractors specializes in transforming tired, outdated master baths into stunning retreats.

- **High-Quality Fixtures**: From faucets to custom vanities, we offer a variety of options to enhance the functionality and aesthetic of your master bath.
- **Upgraded Flooring & Tiling**: We provide durable, stylish flooring solutions, including tiles, marble, and hardwood alternatives that can withstand moisture and daily use.

3. Shower & Tub Replacements

Upgrading your shower or tub can completely change the look and feel of your bathroom. JPS offers a wide range of options to suit your style and preferences.

- **Custom Shower Installations**: From rain showerheads to frameless glass enclosures, we'll create a custom shower that suits your lifestyle.
- **Bathtub Replacements**: If you're looking for a deeper tub or a modern freestanding option, we'll help you choose the best fit for your space.

4. Powder Room Remodels

Small but essential, powder rooms make a big impact. We offer stylish, functional updates to powder rooms that enhance the guest experience without compromising on space or style.

- **Smart Storage**: Small vanities and hidden storage solutions keep your powder room neat and organized.
- **Statement Features**: From elegant lighting to beautiful wall finishes, we can create a stylish and inviting space.

How Our Process Works

The bathroom remodeling process with JPS Remodeling Contractors is designed to be stress-free, efficient, and transparent. Here's what you can expect when you work with us:

1. **Initial Consultation**: We start with a one-on-one consultation to discuss your ideas, needs, and budget. We'll take measurements and review any design preferences you have.
2. **Design Phase**: Our design team creates a detailed plan for your new bathroom, including layouts, material selections, and the overall aesthetic. We'll present options that match your vision.
3. **Construction & Installation**: Once the design is approved, our team of expert contractors gets to work. We handle everything from demolition to installation, ensuring every detail is perfect.
4. **Final Inspection & Touch-Ups**: After construction is complete, we do a thorough inspection to make sure everything meets our high standards of quality. We'll address any final touches to ensure your bathroom is just as you envisioned.
